

DAVIS COUNTY
LIBRARY PRESENTS:
Twisted Tales

*Imagine
Your
Story*

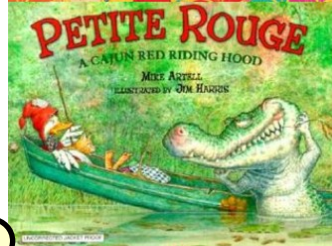

Are you familiar with the story of the Three Little Pigs? How about Little Red Riding Hood? Goldilocks and the Three Bears? These are just a few of the many fairy tales that you think you know, but do you really? Authors love to take these familiar stories and twist them into something new and different. For instance, what if Goldilocks were a mermaid? Or Little Red Riding Hood were a Ninja? There are a lot of fun ways to change the story!
